

CandyCrushHeader.h

```
graph TD; A[CandyCrushHeader.h] --> B[vector]; A --> C[string];
```

A diagram illustrating a header file dependency. At the top is a dark gray rectangular box labeled "CandyCrushHeader.h". Two blue arrows originate from the bottom edge of this box. The left arrow points down and to the left to a light gray rectangular box labeled "vector". The right arrow points down and to the right to another light gray rectangular box labeled "string".
